Luminescine
[Visible Light Photocomplex]
Captures the light
to give it to your hair.
With Argan Oil and
Vegetal Keratin

[Luminescine] Principio attivo basato sulla luminescenza.
È in grado di assorbire radiazioni UV trasformandole in una nuova
sorgente di luce sui capelli così da amplificarne la luminosità.

[Luminescine] Active principle based on luminescence. It is able to
absorb UV radiation, transforming it into a new source of light for hair,
giving it extraordinary shine.

[Luminescine] Principio activo basado en la luminiscencia.
Es en grado de absorber los rayos UV transformándolos en una nueva
fuente de luz sobre el cabello amplificándole la luminosidad.
